Not illustrated. 1886 Excerpt: .as a rule, are not careful enough in the examination and preparation of our patients for operations, While this operation has never been a successful one, I am not satisfied that it will nut ultimately be mack a success. I shall in the future be more careful in examining the heart and lungs before operations. The patient did not die from shock--she died from a weak heart and the saturation of the blood with urea. The kidneys did not secrete at all after the operation. The pancreas has been removed for cancer. The violence done the tissues need not be so great as to cause death. It is a tearing and not a cutting operation. As to the possibility of fatty heart indicating Bright s disease, I will say that I have seen cases where Bright s disease did not exist. The one is a pure substitution of tat for muscular fibre, the other an atheromatous degeneration. J. B. J. News Notes. Dr. John Fee has been re-appointed city physician. Dr. Robert L. Sloan has been re-appointed city chemist. Nearly fifty physicians have located here during the past two months. The Medical Nerrs says a medical college has been organized at Wichita, Kansas. Dr. O. M. Schindel has partially recovered his health but will go to the mountains tor the summer. Dr. J. E. Logan has been promoted to the Professorship of Physiology in the University of Kansas City.
