ADVENTURES OF THE CROOKED LAKE KIDS: RED DOG SUN (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Come share in the adventures of the Crooked Lake Kids as Sam, Andy, Hailey, Emma, and Danny unravel crazy mysteries, help others in need, and have a lot of fun along the way! Join them in their secret clubhouse in the north woods, and as they are transported from one fascinating location to the next. In this, their first adventure, Red Dog Sun, the kids discover an amazing new friend who jumps right out of Native American folklore into real life! They never would have imagined their new friend might be a life saver. An excerpt: The kids were all left standing there, staring off into the forest. The only noise was a light wind rustling through the trees. It sounded as if all of the trees; the birch, the maples, the oaks, were all applauding what had just happened in their presence. Even the pine trees swayed gently to and fro, bowing in approval. Red Dog Sun has a fun puzzling dimension, that will pull you in and make you feel as if you are right there with The Kids. Enjoy being a part of their adventures! The Kids love to learn about new things, and they will inspire the curiosity in you and your sense of adventure as well.
