Reviews

A brand new electronic book with a new standpoint. It is written in basic phrases rather than confusing. It has been designed in an extremely basic way which is merely right after I finished reading through this publication where it basically altered me, change the way I believe.

WHO YOU GONNA CALL? In Astral Advice Animal, otherworldly advice columnist and genuine ghostwriter Tabby Cat has paw-picked over 45 letters from eons worth of his no-holds-barred syndicated incarnational-advice column. Tabby s the only spook who has the guts to lift the veil and answer the mail. Welcome to the hot new wave of bare-knuckle contact with the Big Questions: Life! Afterlife! Incubus, succubus, soul sex, poltergeist infestation, inter-carnational love affairs (one s in body, one s out) - nothing s taboo, nothing s too hot for Tabby s straight-shooting counsel and feline tough love. The Earth Plane is a rough neighborhood. Human incarnation is no cakewalk. Ask yourself: Do I feel lucky? You can be coached by Tabby or skooled by The System - your choice. Learn how the eternal revolving door of ectoplasm-to-protoplasm really swings. Tabby bats back questions from humans and spooks alike, stressing over everything from fashion dilemmas (Dear Tabby, which body goes best with my Akashic Records?) to deeply existential angst (You need a human incarnation like a giraffe needs a sore throat.). Tune in as Tabby Cat lays bare what even your own personal Spirit Guides will never tell, in his signature irreverent and spiritually spunky style.
