Arthur H.Stockwell Ltd, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book. The nine levels on the nine-storey pyramid of Kukulcan (Quetzalcoatl) are symbolic of the nine levels of consciousness - the transition of mankind - predictions of the sacred Mayan calendar down through the centuries, which will take us into the fourth and fifth dimensions. This will change the whole human race completely and prepare us for the second stage of our redemption. Never before has mankind faced such a dangerous time. In December 2012 there will be a new beginning - the greatest thing that could ever happen to mankind. The problem is that we have been controlled and influenced by the Dark Side for centuries. Their aim is to keep us primitive, as they are going to get the boot when we ascend to the next dimension. Needless to say, they will not take it kindly. There are others with a similar agenda - need I say any more? - others that are far more advanced.
