Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Edgar Allan Poe s only novel, The Narrative of Arthur Gordon Pym of Nantucket is a pivotal work in which Poe calls attention to the act of writing and to the problem of representing the truth. It is an archetypal American story of escape from domesticity tracing a young man s rite of passage through a series of terrible brushes with death during a fateful sea voyage. Included are eight related tales which further illuminate Pym by their treatment of persistent themes--fantastic voyages, gigantic whirlpools, and premature burials--as well as its relationship to Poe s art and life Edgar Allan Poe born Edgar Poe; January 19, 1809 - October 7, 1849, was an American writer, editor, and literary critic. Poe is best known for his poetry and short stories, particularly his tales of mystery and the macabre. Widely regarded as a central figure of Romanticism in the United States and American literature as a whole, he was one of the country s earliest practitioners of the short story. Poe is generally considered the inventor of the detective fiction genre and is further credited with contributing to the emerging genre of science fiction.[1] He was the first well-known American writer to try to earn a living through writing alone, resulting in a financially difficult life and career.
