A really great publication with lucid and perfect reasons. I have read through and i am confident that i am going to gonna read yet again yet again down the road. It is extremely difficult to leave it before concluding, once you begin to read the book.

Excerpt from The Return of the Angels: Sunday Evenings in a Glasgow Pulpit These brief addresses, like those of the former volumes of this series, have been prepared from week to week after the more severe preparations for the forenoon diet of worship were completed. It has been my habit at the morning service to handle the greater themes of the Christian revelation, and then at the evening worship to allow myself a wider scope, putting essential things in a somewhat different setting, and calling to my help every interest I could command. My great aim in this has been to win the attention, in honourable ways, of some at least of that vast class of people who to-day sit so lightly to the church. I trust I have not altogether failed in this endeavour; and I gratefully acknowledge a pretty steady inflow of these quiet acknowledgements which are among the most precious seals of ministry.
