Bennion Kearny Ltd, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.For Pele, futsal was very important, no doubt. The Brazilian FIFA Player of the Century grew up playing futsal before transitioning to the 11-a-side game. So did many others - from household-name superstars to semi-professionals to Sunday league players. The benefits of futsal have recently entered the mainstream, with initiatives, facilities, and organisations being created, but there are still coaches who are wary of using the sport to develop footballers. In the ever-changing modern game of football, futsal can give players an advantage over others. In *Developing the Modern Footballer through Futsal*, England futsal coach Michael Skubala, and Seth Burkett, detail the ways in which futsal can be used to develop the technical and tactical skills of players of all abilities. Aimed at coaches of all levels and ages, *Developing the Modern Footballer through Futsal* is a concise and practical book that provides an easy-to-understand and comprehensive guide to the ways in which futsal can be used as a development tool for football. From defending and attacking to transitional play and goalkeeping, this book provides something for everyone and aims to get you up-and-running fast. Over 50 detailed sessions are provided, with each one related to specific football scenarios and detailing how performance in these scenarios can be improved through futsal. From gegenpressing to innovative creative play under pressure, this book outlines how futsal can be used to develop a wide range of football-specific skills, giving your players the edge. About The Authors. Michael Skubala is the England Futsal Manager. Before this, he was the Assistant Coach, a position he held for five years. Prior to this he captained the side, and holds the record number of playing appearances for England....
