The Heartbeat of the Humanitarian: The Agony of Conflict, Disaster and Displacement (Paperback)

By Janet Asiimwe

Outskirts Press, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. When she is offered her first job as a Protection Officer with the Directorate of Refugees at the Office of the Prime Minister in Kampala, Janet cannot help but smile at the opportunity to build a career in humanitarian work. As a qualified lawyer, family and friends consider her career already made for only one thing - legal practice. But Janet had other ideas. Since law school, she harbored a secret desire to work with international development organizations rather than practice law. A particular focus on refugees beckoned. To Janet, protection of refugees rights that are most often ignored seems the ideal job for her. As she takes up her job, she has no idea how much her legal training has prepared her for this work. Until she digs deep into her work does she find out the baggage that comes with her seemingly easy work. Travel to respond to emergencies is not fun especially when done without much notice and often through difficult and dangerous terrain. Most often she is away from her family and stuck with strangers. Interaction with...

Reviews

This publication may be worth purchasing. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Cassandra Von**

An exceptional ebook and the font employed was fascinating to read through. I actually have study and so i am certain that i will likely to read once again yet again in the future. Your life period is going to be change as soon as you complete looking at this book.
