You must remember when she told that incredible, unbelievable story about magic cowgirl boots that took her back to 1877 where she became her own Great, Great Grandmother. Well, she just told me another story and it s even more unbelievable! It s true, Priscilla disappeared again. It s true, everybody looked for her; even trained tracker dogs were used. And, it s true, nobody saw her until three days later, when she suddenly appeared, right at the spot where the dogs had lost her scent. So, guess what she said when she was asked where she d been? That s right, she LIED! She claimed the boots took her time travelling again. SHE S SUCH A LIAR! Wait until you read where and WHEN she says the boots took her this time.
