Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from What Next in Turkey: Glimpses of the American Board s Work in the Near East HE Balkan War has focussed the attention of our Congregational Churches upon the new opportunity before us in the Turkish Empire and in the freed provinces in Europe. Faithfully for nine decades the seed has been sown. Under the new conditions we must believe the harvest is at hand. Since Turkey is our greatest mission field it was the natural decision of the Prudential Committee of the American Board that a book on that field, written in a highly personal vein about our own work and workers, was the clear need of the moment.
