

Big Bang Theology (Paperback)

Filesize: 4.2 MB

Reviews

This book may be worth purchasing. It typically fails to expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

BIG BANG THEOLOGY (PAPERBACK)

[DOWNLOAD](#)

Xulon Press, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Why did God create the universe? What is the purpose of life? What is your purpose in life? Big Bang Theology postulates that the purpose of life is love. The Big Bang began God's quest for love, seeking for a people who would be his people to love and who would love him. God's challenge is to win our love; his challenge is made difficult when he created us with freewill. God loves you. Do you accept his love? Were you to accept and receive his love, you will find yourself immediately on the track of God's will. God's will is aligned with his purpose for creation. Our life finds its meaning in God's purpose. Big Bang Theology can help you find God's love and God's will. Rebooting your faith to the Big Bang beginning may just be the restart perspective you need to see pass the traditional, institutional, religious, and cultural fog to meet God and find heaven. The following are some of the topics discussed in Big Bang Theology: The Knowledge Dichotomy The God Taste Challenge The Accidental Improbability The Love Quest Hypothesis The Branches Fellowship The Baby Jesus Revolution Solution The Cockroach Incarnation The Planetary Colonization The 11th Commandment A Faith Conundrum The Faith Model (What is faith?) A Secret to Great Faith One Step to Heaven Big Bang Reverberations Plan B the Human Pollution Solution Die with Hope The Man-to-God Synchronization Rebooting to Know God's Will Dr. Wm D Leoni is an outside-the-box thinker writing to outside-the-church-box and outside-the-religion-box believers and non-believers, but not outside-the-Bible-box.
