Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This 30-day devotional is designed to help you think differently about how you study, worship, and interact with God. Being a Christian is not a state of being, but rather a relationship with the one true God of the universe. And much like any relationship that you have on earth, a relationship with God is strengthened through spending time together. Prayer allows you to communicate with God. Reading the Bible gives you the ability to hear His response and revelation. But spending time with God can be more than just reading and praying. This devotional will challenge the way you have been spending time with God. You will read from Scripture. You will draw, dream, and dream. You will cut things out of pages and add things to pages. You will pray and you will sing. You will have to do things that might be uncomfortable for you. Try to keep an open mind as you work through each page. It s not about the destination, but the journey you take to get there.
