Reviews

Completely essential read ebook. It is among the most awesome book i actually have read. I am very happy to explain how this is basically the greatest book i actually have read in my individual existence and might be he best pdf for possibly.
(Prof. Alexandro Runolfsson)

SILENT BATTLEGROUND

Paperback. Book Condition: New. Paperback. 277 pages. In *Silent Battleground* by D. M. Ulmer, the Cold War did go hot when the Soviet Union attacked the US Navy coastal installations and all but destroyed the American surface fleet. Ulmer moves the reader through tense combat events with skill and expertise using his 32 years of experience as a professional submariner to make this page-turner complete with intrigue and speculation. Reviewers are touting this naval-action thriller about submarine warfare as the next *Hunt for Red October*. Wartime operations on board the nuclear submarine USS Denver take an unexpected turn as weapons officer, Lieutenant Brent Maddock, faces numerous challenges to his combat tactics skills from both an elusive enemy and a vindictive and ambitious skipper. While the complex war unfolds beneath the waves, Herculean efforts ashore restore a Washington west coast submarine facility to keep the war defense effort ongoing as the President of the United States resists powerful political advocates for surrender. James H. Patton, CAPT USN (Ret) and technical advisor to the film *Hunt for Red October* states in his review, Captain Ulmer parlays his knowledge and experience gained from command of a US Navy Diesel-Electric submarine and earlier service as a Department Head on one of the first nuclear-powered Polaris ballistic missile submarines to craft a fascinating alternative history in the early part of the last decade of the 20th century unusual in this techno-thriller genre, *Silent Battleground* absolutely reeks of both technical and tactical credibility readers will find a delightful blend of elements from *On the Beach*, *Incredible Victory*, *Thirteen Days* and *Hunt for Red October*. Submariners will approve, non-submariners will learn, but all will enjoy *Silent Battleground*. Another reviewer, who once worked in the Office of Submarine Warfare (OP-31) in the Pentagon, The Late Donald S. Campbell..
