DRIFTING EMOTIONS AND FLOWERING THOUGHTS (PAPERBACK)

Partridge India, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.An adolescent rumination has been transferred and shaped into poems. The poems reflect a matured look because it has been shaped when the poet has attained a level of maturity. The waxing-waning mind, the deliberations, experiences, vision of beauty and thought, thought process, emotions, life, love and nation are the various avenues where the poems run into. Bunch of poems are bunch of outpourings of the mind. Forms old and new are interspersed. Although rhyme and rhythm have very little value in modern poems, the writer likes to be lyrical. There is no new technical experimentation of poetic devices. The thoughts and emotions have found its form automatically. It is an honest expression of the individual although physical feelings and passions are given little place. No attempt to copy or ape emotions and thoughts of others are registered. Poems are concentrated on reality. Reality, when viewed as a totality, widens mental horizons. The mind is able to see other orbits as well. It is a scientific muse riding into truth.
