

How to Make Rugs (Paperback)

By Candace Wheeler

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This rug making guide is intended as a help in adapting their work to modern demands, as well as to open a new field to the farmer s family during the winter months, when their time is not necessarily occupied with growing and securing crops. It does not undertake to teach any one who buys or has inherited a loom to begin weaving without any further preparation. The warping or threading of it must be seen to be understood, but when that is once learned, all of the rest is a matter of practice and experiment, and is really no more difficult than any other domestic art.
