Reviews

A must buy book if you need to adding benefit. It can be rally interesting throgh looking at period of time. Its been designed in an remarkably simple way and it is only after i finished reading this publication by which in fact altered me, modify the way i believe.
(Ms. Julie Huels)

HYPODROME (PAPERBACK)

8th House Publications, Canada, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Hypodrome by Jason Price Everett - Selected Poems 1990-2010 Begin anywhere. Stop anywhere. Everything that can possibly be written now is a drop of rain upon its vast syncretic ocean. This future of our shared media Byzantium is obscenely bright. Jason Price Everett's poetry explodes from the page with the raucous power of industrial machinery and strikes its targets with the rapier's fine point. Honing in on the chaos of the past two decades, Hypodrome charts the growth of today's artist searching for the defining aesthetic of our time. These poems document the plastic, the losses, the frustrations and the triumphs accumulated during the course of an accelerated era set against the backdrop of an ominously beautiful future. . .reminded me of J.G.Ballard at his best. -Author, Michael Moorcock on Jason Price Everett's Unfictions . .a remarkable achievement and issues a profound challenge to the literary landscape of today. - The Antigone Review on Unfictions.
