Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Do you find life at work frustrating and hard to control? Is your email inbox overflowing? Do you secretly wish to break free of the shackles and be different? Then The Leopard in a Pinstripe Suit is for you! Alan is a successful fifty-something executive finding it increasingly hard to deal with the modern business world. He's depressed and wondering whether to call it a day. Jeff is a tech-savvy MBA graduate with ambition and a line in fancy cycling gear. He wants to tap into the expertise that has helped Alan climb the corporate tree. Sue is an experienced manager with great relationship skills returning to work from maternity leave. She would love to figure out how to get some home - work - life balance . Like many groups who work together yet think apart, they are deeply entrenched in the demands of day to day business - until one morning when a small voice suggests whether the characteristics of the leopard could help dig them out.? From the music business in Los Angeles to exploring the plains of Africa, navigating the depths of the media and telecoms industries to directing a leadership network for CEOs, Tony Henderson has literally careered everywhere. Having endured the pain and chaos of today's business world, Tony has resolved to help you - the individual - make it a better place to be. The Leopard in a Pinstripe Suit is a fun, off-the-wall story that will help you take back some control of your life, have more fun and find action and adventure along the way.
