GRIN Verlag GmbH Feb 2015, 2015. Taschenbuch. Book Condition: Neu. 210x148x1 mm. This item is printed on demand - Print on Demand Neuware - Essay from the year 2015 in the subject English Language and Literature Studies - Literature, Ranchi University, language: English, abstract: Shakespeare's Antony And Cleopatra is one of the five greatest tragedies, the other four being, Macbeth, Othello, Hamlet and King Lear. It is also considered a mature love story and a more prominent attempt than his previous bid Romeo And Juliet. The play has provided tremendous scope to explore multiple disciplines, which include politics, geography, history, psychology, among others. Therefore, it has a cross-cultural and multi-dimensional appeal towards it. But the present essay endeavours to enlighten upon its dominant thematic aspect, which it argues to be love overall and, in which Shakespeare himself found something so great and surpassing, that he tried to pen down its unsolicited grandeur into one of his eloquent poetic tragedies. 12 pp. Englisch.
