Reviews

Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Minotaur Books, United States, 2016. Paperback. Condition: New. Reprint. Language: English . Brand New Book. A whip-smart, impeccably crafted debut mystery, *A Murder of Magpies* takes readers on a whirlwind tour of London and Paris with an unforgettably original new heroine. It's just another day at the office for London book editor Samantha Sam Clair. Checking jacket copy for howlers, wondering how to break it to her star novelist that her latest effort is utterly unpublishable, lunch scheduled with gossipy author Kit Lowell, whose new book will dish the juicy dirt on a recent fashion industry scandal. Little does she know the trouble Kit's book will cause-before it even goes to print. When police Inspector Field turns up at the venerable offices of Timmins Ross, asking questions about a package addressed to Sam, she knows something is wrong. Now Sam's nine-to-five life is turned upside down as she finds herself propelled into a criminal investigation. Someone doesn't want Kit's manuscript published and unless Sam can put the pieces together in time, they'll do anything to stop it. With this deliciously funny debut novel, acclaimed author Judith Flanders introduces readers to an enormously enjoyable, too-clever-for-her-own-good new amateur sleuth, as well Sam's Goth assistant, her effortlessly glamorous mother, and the handsome Inspector Field. A tremendously entertaining read, this page-turning novel from a bright new crime fiction talent is impossible to put down.
