The fastest, easiest way to shift culture toward engagement and productivity Change Your Space, Change Your Culture is a guide to transforming business by rethinking the workplace. Written by a team of trail-blazing leaders, this book reveals the secrets of companies that discovered the power of culture and space. This insightful guide reveals what companies lose by viewing office space as something to manage or minimize. With practical tips and implementation details, the book helps the reader see that the workspace is, in fact, a crucial driver of productivity and morale. Specifically, this book moves from the high-altitude view down to the details on how to: * Discover the fastest, easiest and most cost-effective way to shift culture * Add square footage by using space more effectively * Boost employee engagement and vitality by the creative use of space * Learn how space can become a powerful productivity tool We all know that design, space, and flow have a powerful effect on the human psyche. Our homes, museums, sports arenas, places of worship, and even airport terminals reveal that...
