Llewellyn Publications, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Our children are the pioneers of a new way of living. They have a vastly different perception and experience of the world around them. They see a world full of possibility and endless potential. 'Generation Intuitive' is upon us and it demands a whole new paradigm of parenting. Now, in this straightforward and down-to-earth guide to nurturing and developing your child's natural intuitive gifts. Julie Hamilton explores the significance of intuition in the modern age, highlighting it as one of the most powerful tools for our children to live empowered and successful lives. Generation Intuitive looks at all the different intuitive 'super-senses' available to our kids, exploring each one individually and providing parents with insights into how they work, and how to nurture and manage them best. Offering practical tools and advice, Generation Intuitive also features a range of entertaining visualisations, games and exercises to help children tap into their intuition and explore all its wondrous possibilities. Generation Intuitive equips parents with everything they need to know about caring for an emerging new generation of intuitive kids. As you learn to recognise, understand and nurture your children's unique intuitive gifts, you'll be helping them build their self-esteem, confidence and creativity, guiding them to make fantastic choices in life and ensuring they reach their full potential and shine!.
