LONDON KENI ENGLAND: HEAVENLY DREAMS: A NOVEL (PAPERBACK)

iUniverse, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Inventor, dog groomer, and business owner, thirty-seven-year-old London Keni England enjoys life in her small Texas town. But one morning, she finds herself in a strange dream world-or is it Heaven? Feeling that her life has been taken away from her far too soon, London must travel to Heaven's seven unique worlds to set things right. When London arrives at each new destination, a pair of angels escorts her throughout the planet's different features. Merchandise Paradise offers angels Elle and Laweez for a shopping spree of a different fashion, while Foodland Fanacity is served up by Stephan and Fanny. Victor and Tory compete for London on Sports Sphere. All of London's past pets are anxious to see her on Animal Eden where they climb mountains with Alex and Xander. Abby and Gail of Amusemetropolis just want to have fun. Video Utopia contains the entire spectrum of technology where it's Zach and Kari's duty to provide full assistance to London so that she can make it to the last destination- Mechanic Majestics, where London meets angels Nathan and Thaniel. Each Heaven contains a test and every Heaven also wants her to stay, but London just wants to go home. A thoughtful, fun-filled romp that explores the choices we may or may not make in the afterlife, London Keni England: Heavenly Dreams will delight you from beginning to end.
