Reviews

A whole new e book with an all new point of view. It is one of the most incredible book i actually have go through. I am easily could possibly get a enjoyment of reading through a written book.
(Nathanael Treutel)

ON THE GENUS ARENARIA, LINN (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from On the Genus Arenaria, Linn Linnaeus enumerated 25 species, of which 11 occur in the first edition of Species Plantarum. As Godron long ago pointed out, if *Lychnis* is to be considered as a genus distinct from *Silene*, then *Alsine* should be considered as distinct from *Arenaria*; as in each case a primary differential character is the number of the teeth of the capsule in relation with the number of the styles. The presence of a strophiole at the hilum of the seed is a constant character, and important enough to exclude a number of species included by some authors in *Mwhringia*; though this differential character is not mentioned in the Linnean diagnosis of the genus. Most of the other proposed genera frequently included under *Arenaria*, in its comprehensive sense, are best considered as primary subdivisions of *Alsine*. The genus *Arenaria*, in this paper, is defined more in accordance with Fenzl's circumscription of the admitted species, and as propounded by him in Endlicher's *Genera Plantarum*. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
