ALAN RODGERS BOOKS, United States, 2006. Hardback. Book Condition: New. 230 x 158 mm. Language: English . Brand New Book ***** Print on Demand *****.In addition to his great Wessex Novels, Thomas Hardy wrote *Wessex Tales* (1896), a collection of six stories written in the 1880s and 1890s that, for the most part, are as bleakly ironic and unforgiving as the darkest of his great novels -- *Jude the Obscure*. But this great novelist began and ended his writing career as a poet. In-between, he wrote a number of books that many readers find emotionally-wrenching, but which are considered among the classics of 19th Century British literature, including *Far from the Madding Crowd*, and *Tess of the D Urbervilles*. Readers will experience Hardy's uncompromising, unsentimental realism in *Wessex Tales*, and for those seeking a taste of the Dorset poet and novelist, they represent an ideal start.
