School Discipline (Paperback)

By William Chandler Bagley

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. School discipline, like the poor, is always with us. The subject has so long been treated in educational journals, books, institute and other lectures, that one might well hesitate before attempting to add to the literature of the subject, and a school man could scarcely hope to find a book giving a fresh treatment of this hackneyed topic. Bagley s School Discipline, however, abundantly justifies the author s temerity in undertaking what might well seem a bootless task. Like the other books coming from the facile pen of this versatile writer, its style is so engaging as to invite the reader to read on, even if he does not care to know more about school discipline. Few are the books for teachers which treat a subject so narrow and so technical and at the same time give it something of literary charm. The one before us shows on every page the writer s familiarity with the literature of his profession, past and present, but its phraseology and its vocabulary are the sort which characterize the writings and speech of...
