Taylor Francis Ltd, United Kingdom, 2016. Paperback. Condition: New. 2nd Revised edition. Language: English . Brand New Book. The second edition of the Handbook of Adult Clinical Psychology: An Evidence Based Practice Approach like its predecessor provides clinical psychologists in training with a comprehensive practice handbook to help build the skills necessary to complete a clinical placement in the field of adult mental health. While practical in orientation, the book is based solidly on empirical evidence. Building on the success of the previous edition this handbook has been extensively revised in a number of ways. Throughout the book, the text, references, and website addresses and have been updated to reflect important developments since the publication the first edition. Recent research findings on the epidemiology, aetiology, course, outcome, assessment and treatment of all psychological problems considered in this volume have been incorporated into the text. Account has been taken of changes in the diagnosis and classification of psychological problems reflected in the DSM-5. Chapters on ADHD in adults, emotion focused therapy, radically open dialectical behaviour therapy, and schema therapy have been added. The book is divided into 6 sections: Section 1 covers conceptual frameworks for practice (lifespan development; classification and epidemiology; CBT, psychodynamic, emotion focused, systemic and bio-medical models; and general assessment procedures) Section 2 deals with mood problems (depression, bipolar disorder, suicide risk, and anger management) Section 3 focuses on anxiety problems (social phobia, generalized anxiety disorder, panic disorder, obsessive compulsive disorder, post-traumatic stress disorder and depersonalization disorder) Section 4 deals with psychological problems linked to physical health (health anxiety, somatization, chronic pain, adjustment to cancer, and eating disorders) Section 5 focuses on other significant psychological problems that come to the attention of clinical psychologist in adult mental health services (ADHD in adults, alcohol and other drug problems, psychosis, and psychological...
