A love story. No it s not like any other love: this one is different as it s not boy meets girl, or boy meets boy, or girl meets girl, or indeed any other permutation of genders walking off into the sunset happily ever after. It s a Game of Two Halves is an extraordinary story of one man and his love of his team: Queens Park Rangers. But it is also much more than this. From the lows of losing Queenie - his ally in victory and defeat - to the highs of QPR s long-awaited and unnecessarily torturous 2011 promotion to the Premiership, Hartman weaves an emotional narrative of the life and loves of a football fanatic with surprising ease (for the non-football savvy) and expertise (for those who know and love the game as he does). Brilliantly funny in places, tear-jerkingly sad in others, this is a book for anyone who loves a good yarn - football-related or otherwise.
