Reviews

The very best publication i at any time study. It really is basic but shocks inside the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Marlin Swift)

LA TRADICIÓN DEL MARIACHI EN COSTA RICA

Editorial de la Universidad de Costa Rica, 2009. Soft cover. Condition: New. 104 pp. Esta historia narra los comienzos y la trayectoria del primer mariachi de Costa Rica, el cual surge luego de que un guardia civil es enviado, como parte de su labor rutinaria, a resguardar la actuación de un mariachi procedente de México. El vigilante, quien también era músico academizado, decidió formar un grupo musical semejante, para lo cual reunió a algunos otros colegas, con lo que dio inicio a este popular grupo musical. En el comienzo, el mariachi no fue aceptado al ser confundido con miembros de un escuadrón de combatientes de los revolucionarios de la guerra de 1948, pues ellos eran apodados "marichis". Después de una ardua lucha de quince años logró su triunfo.
