Read Books, United Kingdom, 2006. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Love That Golf - It CAN Be Better Than You Think By DonHerold Feeling that most golf books are written by top-flight professionals who are miles removed from the problems of the ordinary deskbound, musclebound amateur, Don Herold believed there was room for one golf book written sympathetically by a learner for fellow learners. He believes every golf club should have a consulting psychiatrist and psychoanalyst. His book doesn't pretend to profundity along these lines, but he is certain that it will give comfort and consolation to all fair-to-mediocre golfers in their darker hours, largely by improving their mental attitude. The pros tell us how to hit a golf ball 250 yards. After all, that's not what we want to know. What we want to know is how to hit a golf ball. As one who has had more fun out of golf, than anything else in life, the author felt an urge to write a book to help all golfers get more fun and less distress out of the game. Don Herold says Many golfers lead lives of quiet desperation. That is what I want to remedy, in this book. Contents Include: - That Happy Adventure Golf - You Can't Mix Golf With Hate, Or Haste - You Can't Score if You Can't Putt - Getting Those Approach Shots up for One Putt, I Hope - Don't Let The Long Shots Panic You - You've Gotta Take Aim - Let Golf Play You - I'm Too Old to Learn, I'll Never Play Any Better - Don't Be So Damned Dull - Good Golf is Shaken Only Out of a Practice...
