Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from O1d Saint Peter s, or Beginnings of Catholicity in Baltimore Baltimore is so closely identified with the rise and the progress of the Catholic religion in the United States, that a narrative of the first planting of our holy faith in that city must be for American Catholics a matter of very general yet uncommon interest not that Baltimore is entitled, as regards this planting, to a conspicuous rank over other places by any priority of time. The Church was already established nearly a century in Maryland before Baltimore was founded; but it is, nevertheless, the peculiar glory of that city to have given a local habitation and a name to the primary see of the Union, and to have become, as it were, a second Rome for our Republic.
