Reviews

Very beneficial for all type of individuals. I have got study and so i am certain that i am going to going to read through once again once again later on. I am just happy to let you know that this is basically the greatest publication i have study during my own daily life and could be he finest pdf for ever.

(Prof. Nelson Farrell MD)

PLUTO - NEVER FORGET! BEADED BOOKMARK

Peter Pauper Press, 2017. Miscellaneous print. Condition: New. Language: English . Brand New Book. Discovered in 1930, Pluto was quickly included into the pantheon of planets that make up our solar system. In August 2006, however, the International Astronomical Union downgraded the status of Pluto to that of a mere dwarf planet -- Asteroid Number 134340. To this day, many of us refuse to forget this unhappy reclassification. Show your respect for the celestial body formerly known as Pluto with this appealing bookmark! Pluto stares from beyond Neptune with a wistful expression. Glossy highlights make his face pop. Appealing bookmark comes with a silky black tassel and a luminous pearl-like bead. Bookmark is printed on sturdy, smooth-finish cardstock. Comes encased in a protective clear plastic sleeve. Measures 2-1/2 inches wide by 7-1/8 inches high. Warning: Choking hazard, small parts. Not for children under 3 years.
