University Press of Kansas, United States, 2003. Paperback. Condition: New. New. Language: English . Brand New Book. Charles weaves together various versions of the story to show how one isolated dispute in Minnesota became part of a larger national struggle for gay and lesbian rights in an era when the movement was coming of age both legally and politically. His account recalls the rough road lesbians and gay men have had to travel to gain legal recognition, examines how the law is politicized by the social stigma attached to homosexuality, and demonstrates how conflicted the decision to come...
