On Demand Publishing, LLC-Create Space, 2014. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****.This is a book that I wrote to clear up misunderstandings among people of society as to what Language Therapy entails. It is not a class to make you a carbon copy of everybody else like some people think. It is only a means of therapy used to make the verbal language everyone else has easier to achieve for the disabled person when they talk to people, when they try to remember things, when they try to figure out what you are trying to tell them. when they try...
