Agricultural Research and the Farmer: A Record of Recent Achievements (Classic Reprint) (Paperback)

By V E Wilkins

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Agricultural Research and the Farmer: A Record of Recent Achievements British Agriculture is passing through hard times. No single panacea will cure the ills from which it is suffering, but I have the best reason to think that the leaders of the industry would agree with me in looking hopefully to the development of research as a powerful agency of restoration. I need only point to their recent action in asking and obtaining from the Government the grant of one million pounds for Agricultural Education and Research, in consideration of the repeal of the Corn Guarantees. There are at least three parties that are closely concerned to know what agricultural research is doing and proposing - the farmer, for whose benefit the work is primarily done; Parliament, which largely provides the cost; and the public, which pays the bill and will, I believe, ultimately receive a full return for the expenditure. But it has been urged on me that the efforts and results of agricultural research are largely unknown to these three interested parties. They are often published in...
