If you're like most people, you probably think that stress is an inevitable part of life. The truth is: it's not. In a groundbreaking 30-year study, Dr. Derek Roger has discovered that everything we think we know about stress--and how we should manage it--is just plain wrong. STRESS IS A CHOICE. The culmination of three decades of research, this book presents a practical and proven program of simple step-by-step techniques that you can use to: Adjust your mindset and work more efficiently. Control your response to...
