

Creation: The Apple of God's Eye

By Justo L. Gonzalez

Abingdon Press, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book. How and why God loves us--God's good creation This book will talk about the doctrine of creation and invite us to look closely at who God is and who we are in relationship with God. As people of faith, we believe that our gracious God created all there is, but does that also mean that God also created evil? How does creation jive with what scientists are telling us about the origin of the universe? What does the doctrine of creation tell us about what we call the creation, that is, the world, its value, purpose, etc? How does understanding the world as God's creation teach us about our role in creation care? The Bible tells us that God created the heavens and earth, but does that deny the science of the Big Bang? What does believing that God is the Creator say about how God loves, redeems, and sustains us today or does creation say something only about the past? What about the new creation? Does this have anything to do with the old creation? Does it...
