Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.At the commencement of the year 1885, a captivating little volume of poems was mysteriously issued from the Leadenhalle Presse of Messrs. Field and Tuer-a quaint, vellum-bound, antique-looking book, tied up on all sides with strings of golden silk ribbon, and illustrated throughout with fanciful wood-cuts. It was entitled Love Letters by a Violinist, and those who were at first attracted by its title and suggestive outward appearance, untied the ribbons with a certain amount of curiosity. Love-letters were surely of a private, almost sacred character. What Violinist thus ventured to publish his heart-records openly? and were they worth reading? were the questions asked by the public, and last, not least, came the natural inquiry, Who was the Violinist ? To this no satisfactory answer could be obtained, for nobody knew. But it was directly proved on perusal of the book that he was a poet, not a mere writer of verse.
