## KOP KILLER

Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. KOP Killer, a darkly dystopian science fiction thriller from Warren Hammond. Juno Mozambe once had a life. That was when he was a dirty cop, married to a woman who suffered such profound abuse that she murdered her vile, drug kingpin father. Juno loved his wife and did his best to help her survive her guilt, her drug habit, and her desire to end her life on the dead-end planet of Lagarto. When she died, however, Juno's life went downhill. And then his first partner, the corrupt chief of the Koba Office of Police, was murdered. The man responsible, Emil Mota, is using the KOP for his personal gain. Juno has been laying low, but now he's ready to do whatever it takes to take down the bastard. Rather than working from inside the system, he's decided that the only way to take down the KOP is to create an independent base of power. So he gets involved with a team of dirty cops and starts working as a rent-a-thug for a whorehouse that needs protection. Juno's last partner knows that his risky plan has a purpose, but she's that rarest of creatures on the hothouse planet of Lagarto: an honest cop. She can't help him. When Juno discovers a series of profoundly twisted murders, he faces a bleak possibility: in his desperate quest for vengeance against the man who targeted him for death, Juno may have placed himself beyond any hope of redemption.
