THE GOD TALK OF RECOVERY

iUniverse, United States, 2004. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****. God talk was written because once I entered into the 12 step recovery process I started hearing sounds (voices) in my head and rather than becoming afraid and running away in fear I decided to find the source and what possible information could be discovered. I started receiving insights like What is an alcoholic? An ego maniac with an In-fear-riety complex! Eventually I met the spiritual master in India who has guided much of the 20-century spiritual knowledge and progress of this world. I asked this great master and teacher What is the cause of drug and alcohol addiction? He told me with a knowledgeable and authoritative voice--Neither the human mind or body was designed for these things--END OF DISCUSSION!! This great master has no need for me to speak His name, He needs no promotion. This master contacts the student when He wants too--.
