

Unveiled Mysteries (Paperback)

By Godfre Ray King

Azilothe Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Unveiled Mysteries is Godfre Ray King's enthralling account of his encounter with Ascended Master Saint Germain, while hiking alone on Mt Shasta in northern California. Saint Germain becomes King's spiritual guide, and is able to manipulate both time and space to allow his pupil to revisit past lives in Atlantis, Inca-Peru, Mu, and in a long-vanished kingdom now hidden beneath the sands of the Sahara Desert. Throughout these experiences, St Germain is at pains to point out the Truth that our lives are fundamentally our own creation: we are the choosers of our own field of expression. Radiating Love returns love to our lives, while negative feelings bring down those same emotions upon our heads, making existence miserable. We all possess a God-Within that eternally seeks to express Love and Perfection, and by joining our outer personality to this in-dwelling shard of the Divine we eventually attain to Mastery, of ourselves and of the fabric of reality .
