Orion Publishing Co, United Kingdom, 2012. Paperback. Condition: New. Mass Market Paperback. Language: English . Brand New Book. In the bestselling tradition of *Call the Midwife*, an honest and moving account of working as a district nurse in 1950s England. Born in Belfast, Patricia Jordan left for England to train as a nurse in the 1940s and *DISTRICT NURSE* is her moving and humorous account of life as a visiting nurse in a small English town. She leaves behind a close-knit family and a failed romance in Ireland to begin training in Barnet and Middlesex. She early on treats a patient who eventually becomes her husband and means that she accepts a job in the north of England that takes her first by bicycle and then in an unreliable little car, into the homes of the people who need her care. In *DISTRICT NURSE*, she brings to life everyone she encounters, from the doctors and other nurses to the diverse and always compelling patients. It is a captivating personal account of a life spent helping others.
