Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Frontiers of the After Life September in the north land! Nature has not been prodigal with her colors this Autumn; the frosts came early, so the forests change slowly; but yesterday, as if by magic, there was gold among the green, and today there is purple and red; hilltops blaze with their crowns of maple, slopes show grey in the sunlight, vines straggle here and there in lines of bronze, and the great timber reaches stand out in their sombre shades. Again I have crossed the Canadian border and come into the heart of the wilderness, into the silence where one can think deeply. Here in a cabin, where I have spent many summers, there is a quiet not to be found in the great cities. The crisp air, clean and pure, stimulates like old wine, and the moving waters along the wooded shores soothe tired nerves.
