Branden Publishing Co ,U.S., United States, 1983. Paperback. Condition: New. Language: English . Brand New Book. A Woman of No Importance, for all its charm, exposes an aristocratic world that is smug, snobbish and morally bankrupt. An Ideal Husband portrays a glittering diplomatic gathering which is revealed as a masquerade to cover up the shady past of a prominent establishment figure. Lady Windermere s Fan is a brilliant critique of conventional morality. In The Importance of Being Earnest every character is revealed to be leading a hypocritical double life, while Salome and A Florentine Tragedy use historical settings to explore issues of sex, gender and power.
