Reviews

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

It was after midnight before the rear-guard reached Bygram, only five miles from Cabul; here the camp, if it could be so called, a few tents only being pitched, presented a sad picture of desolation, the face of the country being one uninterrupted scene of snow.
