Seven Stories Press,U.S., United States, 2011. Hardback. Book Condition: New. 206 x 142 mm. Language: English . Brand New Book. America s extreme Right falsely claims the Founding Fathers as allies for their radical agenda. Pundit Glenn Beck has gone so far as to use the title of Tom Paine s famous 1776 pamphlet Common Sense for his own book-a book that attacks the political, social and economic rights which Paine and the Founders fought for. It s time to cut through the rhetoric, smoke, and spin, and get back to our core American values. We have gone off course as a country by emphasizing consumerism over citizenship, entertainment over education, and me over we. By rediscovering the moral compass our Founders put into place, we can create a united America, and a future worthy of our grandchildren.
