Wipf Stock Publishers, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Too many churches limp along with no clear sense of mission. In *Mere Ecclesiology: Finding Your Place in the Church's Mission*, Dr. Crofford clarifies the purpose of God's people through the metaphor of spiritual respiration. Breathing in (worship and discipleship) leads to breathing out (transformative service in the world). Newcomers and seasoned believers alike will be challenged to discover their calling as the Holy Spirit sends the church out on a challenging mission to heal families, communities, and creation itself. In promoting a healthy church, Dr. Crofford emphasizes the need for spiritual respiration. His conception of church health first requires a breathing in of personal growth that is spiritual, knowledgeable, and communal. Second, spiritual respiration requires a breathing out that is missional, ministering practically to others for their holistic salvation, societal well-being, and ecological care-giving. . . . This thoughtful overview of the formational and missional characteristics of the church mirrors Jesus' command to love God and love others. Here, the corporate body of Christ can live in authenticity to the doctrine handed down through the ages. This work will prove useful for the church engaged in the formation of Christlike disciples. --Carla Sunberg, President, Professor of Historical Theology, Nazarene Theological Seminary In this helpful and easy-to-read book, Crofford draws wonderfully from Scripture, the Christian faith community, and his own faith journey. He offers wisdom and understanding to all pilgrims, wherever they are...
