Forgotten Books, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Synthesis of the English Sentence, or an Elementary Grammar of the Synthetic Method: Enlarged and Improved Many teachers, myself among their number, earnestly desiring to teach English grammar upon this plan, have looked in vain for some text-book which could be properly used in preparing the beginner for advanced analysis. Up to the present time, in the Michigan State Normal School, elementary instruction in grammar has been given without the aid of any book, and this work embodies the course of oral lessons given by the author in this department. The system has been thoroughly tested, and has met with abundant success. It is now offered to the teachers of the West, at the frequently repeated request of many of their number.
