## There Is Something in the Air

By David Yarbrough

Xlibris Corporation. Hardcover. Condition: New. 412 pages. Dimensions: 9.1in. x 6.3in. x 1.4in. There is something in the air. Are you ready for a journey Buckle up and accompany me for a close up view of what really goes on behind the wire to keep nerve gas and other chemical agents out of our air here in the United States. Is the wire to keep nerve gas inside or to maintain secrets Observe the pathways for nerve gas and other chemical agents to enter our environment and the air we breathe, then you decide. Would you report safety problems regarding the nerve gas to your superiors. What should you do Experience how it feels to be labeled unpatriotic, watch your employer embarrass and lie about your children then ward off conspiracy after conspiracy to defend yourself in an effort to save your career until your superiors use the United States Court and federal prosecutors to indict you for eight counts of felonies. Watch your excellent reputation be destroyed, almost overnight to become evil, in order to ruin your credibility so the safety problems can be ignored. Watch federal whistle blowing protection laws be thrown out the window because the army has...
