Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.It's the holidays for a group of very special men who've managed to become a family in the last year and while all the guys are coming together to celebrate Hawke and Tate's upcoming wedding, a few of them have big plans of their own. A change of plans. Newlyweds Ronan and Seth are settling into married life as Ronan considers his return to medicine and Seth starts dreaming of a future that may include the pitter patter of little feet a lot sooner rather than later. Building a future. Knee deep in wedding preparations, Hawke and Tate are celebrating something even more important - Matty's final round of chemotherapy treatment. As they anxiously await confirmation that their son is finally in remission, both men strive to give their little boy a normal life including a new house, playdates with Matty's new best friend, Leo, and a new support system of men and women who are starting to seem a lot like family. An important question to ask. Meanwhile, Mav is looking to make things official with Eli despite the young man's busy schedule with medical school. But before he can ask the man of his dreams that very important question, he has to get past Eli's family first, including a posse of two overprotective fathers, several intrusive uncles and a little girl who just wants to brush Mav's hair! Figuring it all out. With Memphis, Brennan and Tristan settling into their newfound relationship and our favorite threesome from New York visiting for the wedding, there are plenty of chances for old friends to connect and new bonds to be formed. The best kind...
