The Adventures of Larry the Lorry is an endearing tale that follows the story of Larry, a very special little lorry, who arrived on a very cold winters morning in Pandy Way. Follow him through his first few discoveries and share in his excitement about his adventures! This book focuses on Larry, the new member of the lorry family, who was a delight to his family. Like a child, he received much attention and care from his loving parents and grandparents though love and concern were equally shared among his four other siblings. His story progresses when he discovered, and had fun with the twinkling chain, a mouse called Peepo, plus an encounter with Margo the nasty Garage Cat. He was very happy to have seen and met them all. But when he saw his father hauling a trailer for the deliveries, he became more excited to grow big and strong just like his daddy, so that he can pull a trailer too. Enhanced by its colorful illustrations and vibrant characters, this book also shares wonderful life lessons that will make a difference in every child's life. A perfect bedtime story, this book is also a good instrument to help parents strengthen their relationship with their children. As reading to your children anytime brings a bond like no other. This item ships from La Vergne, TN. Paperback.
